

RE-START PROJECT

FINAL NEWSLETTER | DECEMBER 2023

WELCOME TO RE-START PROJECT!

Hello RE-START Community,

Amid the dynamic landscape of entrepreneurship and circular economy, RE-START has been a guiding light, steering us towards a future where sustainable practices and impactful business models intersect. Explore with us as we unfold the latest achievements and upcoming milestones in our collective journey.

We're thrilled to share some fantastic updates and highlights from the final phase of our journey together.

The RE-START project: A Treasure Trove of Resources!

RE-START Circular Business Plan Toolkit:

We have developed a user-friendly toolkit to help students & potential start-uppers to turn their business ideas into reality. Equipped with a self-assessment tool, Pitch Deck and BMC templates, BMC guidelines and case studies, it's your go-to guide for launching a circular business! Visit the website for practical tools designed just for you!

RE-START E-Learning Platform with the e-Training programme:

Our user-friendly E-Learning Platform is where your circular entrepreneurship journey begins. Packed with modules and practical examples, it's your go-to hub for seamless learning. Get ready to explore and ignite your entrepreneurial spark!

RE-START PROJECT

THE RE-START Guidebook for trainers and academics: Available on our website with all the RE-START material, the Guidebook is your essential companion for navigating circular entrepreneurship. With practical insights, it complements our RE-START E-Learning Platform and RE-START Toolkit, and provides step-by-step instructions for effective use of all the RE-START resources in trainings. Your roadmap to success is just a click away!

Online Circular Business Idea Competition was a Success!

On October 30, 2023, with the help of the RE-START resources and the guidance from mentors we hosted the Online Circular Business Idea Competition, bringing together bright minds from all partner countries. 13 students and startupperes showcased their innovative ideas, connected with peers worldwide, and gained valuable experiences.

RE-START's Journey in Alicante: Our 4th Meeting!

Partners from Spain, Portugal, Poland, Greece, and Cyprus came together in Alicante, Spain for the 4th Transnational Meeting on the 19th and 20th of June 2023. We reviewed project progress, planned our next steps, and enjoyed eye-opening site visits at INESCOP, where footwear is made of reusable materials.

RE-START PROJECT

Multiplier Events: Taking RE-START to the World!

Our multiplier events in Cyprus, Greece, Portugal, Spain and Poland were a hit! Students, academics, policy-makers, and startup enthusiasts witnessed the comprehensive impact of the RE-START project. The events showcased the culmination of our collective efforts

GrantXpert Consulting, Cyprus

Fundeun, Spain

Danmar, Poland

Innovation Hive, Greece

University of Beira Interior, Portugal

Hellenic Open University, Greece

Completion Milestone: Wrapping Up on December 31!

We're excited to announce the successful completion of the RE-START project, closing its inspiring chapter on December 31. Thank you all for contributing to our shared success!
